BUREAU CIRCULAR NO. 749

To All Members of the Bureau:

Re: **STATUS REPORT FOR BUREAU FILING NO. 0102**
DECEMBER 1, 2001 RESIDUAL MARKET RATE AND
VOLUNTARY MARKET LOSS COST FILING

This circular is intended to keep all members informed about the status of the subject filing and avoid uncertainty among members as to whether an action may have occurred with respect to the filing that escaped notice in their company.

The Bureau submitted its December 1, 2001 Residual Market Rate and Voluntary Market Loss Cost Filing on July 3, 2001. The Bureau continues to attempt discussions with the Delaware Department of Insurance to complete their review of the filing and obtain a determination about revisions in rating values effective December 1, 2001.

To date no decision has been reached in regard to the subject filing. Members are advised that as soon as possible after such a decision is made the Bureau will announce the decision and resulting changes in rating values.
