**DCRB CIRCULAR NO. 893**

To All Members of the DCRB:

Re: **STATUS OF DCRB FILING NO. 1305**

This circular is to update all members with respect to the status of DCRB Filing No. 1305.

DCRB Filing No. 1305 has been subject to administrative and statutory provisions that did not exist for prior filing cycles. Among those provisions are the potential for Insurance Department examinations of selected insurers' processes and procedures for managing medical losses, and the participation of a Ratepayer Advocate in the adjudication of the DCRB's filing.

DCRB members are hereby advised that no decision has yet been made on DCRB Filing No. 1305. It is currently expected that any such decision will not be made until after a hearing is conducted with respect to this filing, and that such a hearing may not take place until early February.

The DCRB is keenly aware of the critical nature of this pending submission and its implications for carriers, producers, employers and other interested parties, and we will provide circular announcement of any further developments as quickly as possible when such developments occur.
