RE: Amendment to Bureau Filing No. 0604  
December 1, 2006 Residual Market Rate and Voluntary Market Loss Cost Filing

Dear Commissioner Denn:

On behalf of the members of the Delaware Compensation Rating Bureau, Inc. (DCRB), I am filing herewith proposed revisions to:

- Delaware's Residual Market Plan for workers compensation insurance
- Loss costs and related rating values for use in the voluntary workers compensation insurance market in Delaware

Consistent with our agreement of November 20, 2006, the materials filed with this letter will amend the DCRB's original filing No. 0604 to provide for an average overall increase in residual market rates of 2.57 percent and no average overall change in voluntary market loss costs (average change – 0.00 percent). Revised supporting materials and exhibits reflecting those changes are provided as shown on the accompanying exhibit list. All portions of the DCRB's original filing No. 0604 not revised in the accompanying documents are refiled herewith by reference as part of the amended filing No. 0604.

The DCRB looks forward to your immediate approval of this amended filing so that notification can be issued to all DCRB members and Delaware producers, employers and other interested parties.

Sincerely,
