### PENNSYLVANIA AND DELAWARE CALL FOR EXPERIENCE #4

CALL FOR WORKERS' COMPENSATION LARGE CLAIM EXPERIENCE BY POLICY YEAR, VALUED AS OF DECEMBER 31, 2018 AND DECEMBER 31, 2019 - DUE MARCH 16, 2020 IN DELAWARE AND APRIL 15, 2020 IN PENNSYLVANIA

In accordance with the approved statistical program, you are requested to file with the Bureaus on or before March 16, 2020 in Delaware and April 15, 2020 in Pennsylvania, your compensation experience by policy year valued as of December 31, 2019. **Data reported in this Call is subject to the Financial Data Incentive Program (FDIP) and must be submitted using the Financial Data Reporting Application (FDRA).**

We are asking for detailed claim data on any claim for which the sum of the accumulated total paid losses and total case reserve valued as of December 31, 2018 and/or December 31, 2019 exceeds \$250,000 in Delaware or \$500,000 in Pennsylvania, in any of the policy periods from prior to 1989 to 2019. For each such claim, you must provide the Bureaus with data for both the December 31, 2018 and the December 31, 2019 valuations regardless of whether one of the two evaluations falls below the threshold.

Claim numbers should be consistent across all data sets reported to the Bureaus (ex. financial data calls, unit statistical reports, medical data calls and indemnity data calls) to help facilitate data comparison and reconciliation analysis.

Losses are to be reported on a gross basis, i.e., prior to any reduction for reimbursable deductibles. Please indicate the amount of the deductible, if applicable, in Column 11.

**Column 12 indicates the type of coverage. Please use the following coverage codes:**

- (1) Losses under All Workers' Compensation Experience EXCEPT the following:  
"F" Classification, Coal Mine, Excess Policies, Reinsurance, National Defense Projects, Large Deductible Policies, etc. as described in Call #1.
- (2) Losses under "F" Classification
- (3) Losses under Large Deductible Policies (Deductible amount must be indicated)

Please report amounts of premiums and losses in WHOLE DOLLARS ONLY. The FDRA will not allow cents to be entered onto the form. If the values are not entered as whole dollars, the application will automatically count fifty cents and over as an extra dollar, and reject the cents if less than fifty. Negative amounts must have a negative sign in front of the number being entered.

Carrier data reported for the prior year has been used to automatically populate the 2018 data fields in the FDRA's 2019 Call #4.

All questions should be directed to Financial Data Reporting at (215) 568-2371.
