I. INTRODUCTION

The Delaware Insurance Plan (DIP) Web Application provides the ability for agents and employers to submit assigned risk applications for insurance coverage through the Delaware Workers Compensation Insurance Plan.

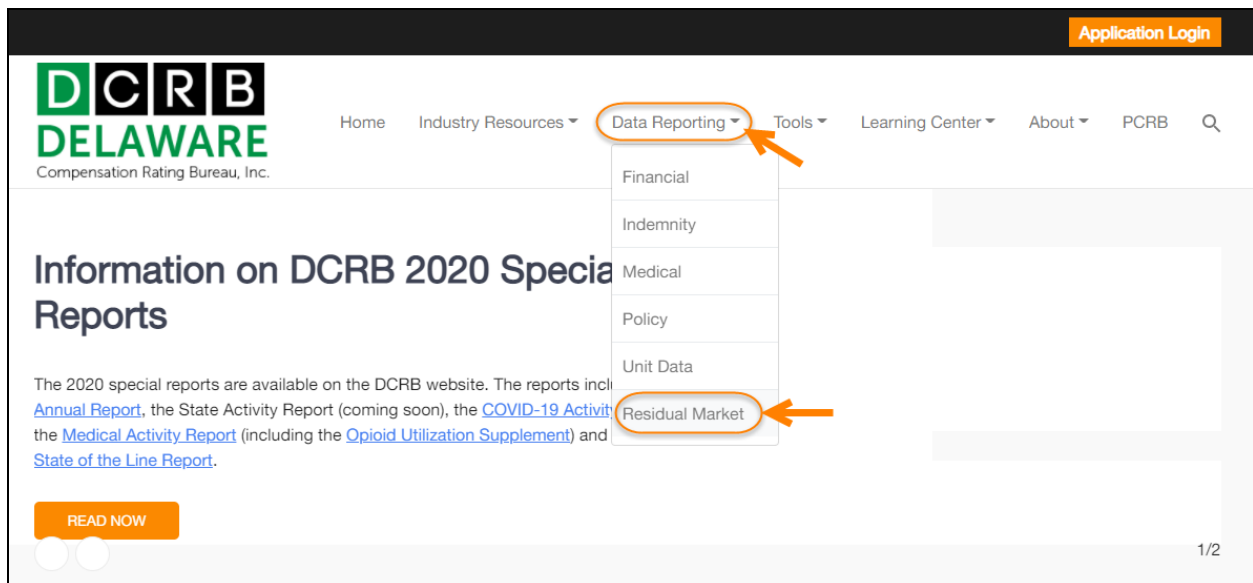

This guide will provide instructions and helpful hints for using the DIP Web Application. It is recommended that the user read this entire document before using the application.

For any technical questions not covered in this user guide, please contact the DCRB Central Support at (302) 654 – 1435 or centralsupport@dcrb.com.

For business questions, please contact Drew Kratz at (302) 654 – 1435 or dkratz@dcrb.com.

II. GETTING STARTED

The DIP Web Application is accessed via a link on the DCRB website, www.dcrb.com. To locate the application link, select **Data Reporting** from the menu options and then click on **Residual Market**.

The Residual Market page contains the application link, as well as the DIP - Web Application User Guide and Delaware Handbook. To launch the application, click on **Delaware Insurance Plan - Web Application**.

Home / Data Reporting / Residual Market

Residual Market

The Delaware Compensation Rating Bureau, Inc. (DCRB) has been delegated by the Delaware Insurance Commissioner to serve as the administrator of the Delaware Insurance Plan (DIP). The Delaware Insurance Plan provides the means for an employer to satisfy the requirements of Delaware Workers' Compensation Law when the employer is unable to purchase such insurance through the voluntary market.

C. Welcome Screen

Once successfully logged in, the user is presented with the Welcome screen. This page allows the user to create a new assigned risk application or to work with an existing application.

The following buttons are available:

Button	Description
Create new application	Click this button to create a new application
Log Out	Click this button to log out of the DIP Web Application

The lower half of the Welcome screen contains a table with the applications that the user has created. This table is not visible to first time users and/or users who have not created any applications.

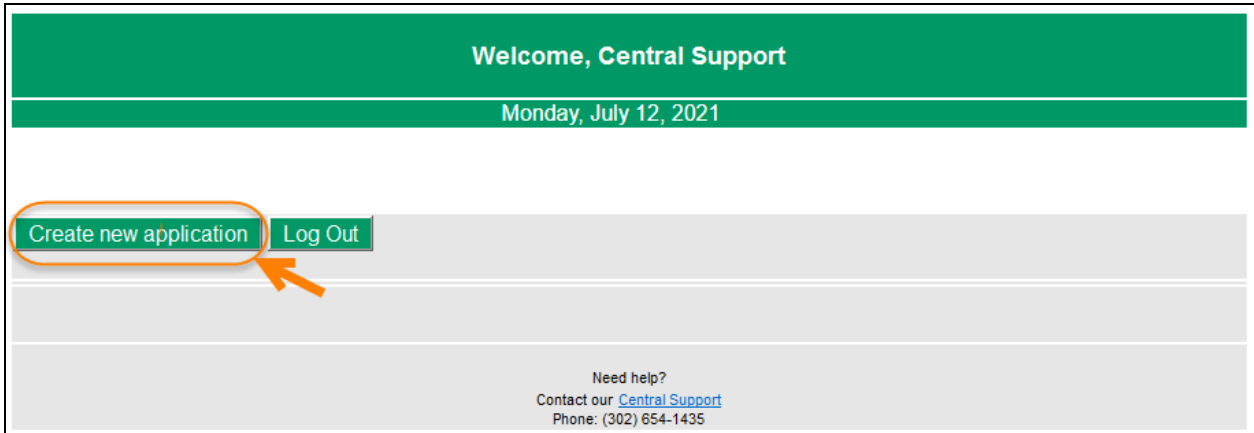

Different options are available for working with an existing application depending upon its current status:

Status	Description	Available Option/s
Saved	An application saved in the system.	Edit - Select if you wish to modify the application. Delete - Select if you wish to delete the application.
Returned	An application which is either incorrect or incomplete and requires user attention.	
Submitted	An application submitted to the DCRB for review.	View - Select if you wish to view the application, but editing is prohibited.
Processing	An application received by the DCRB and is being processed.	

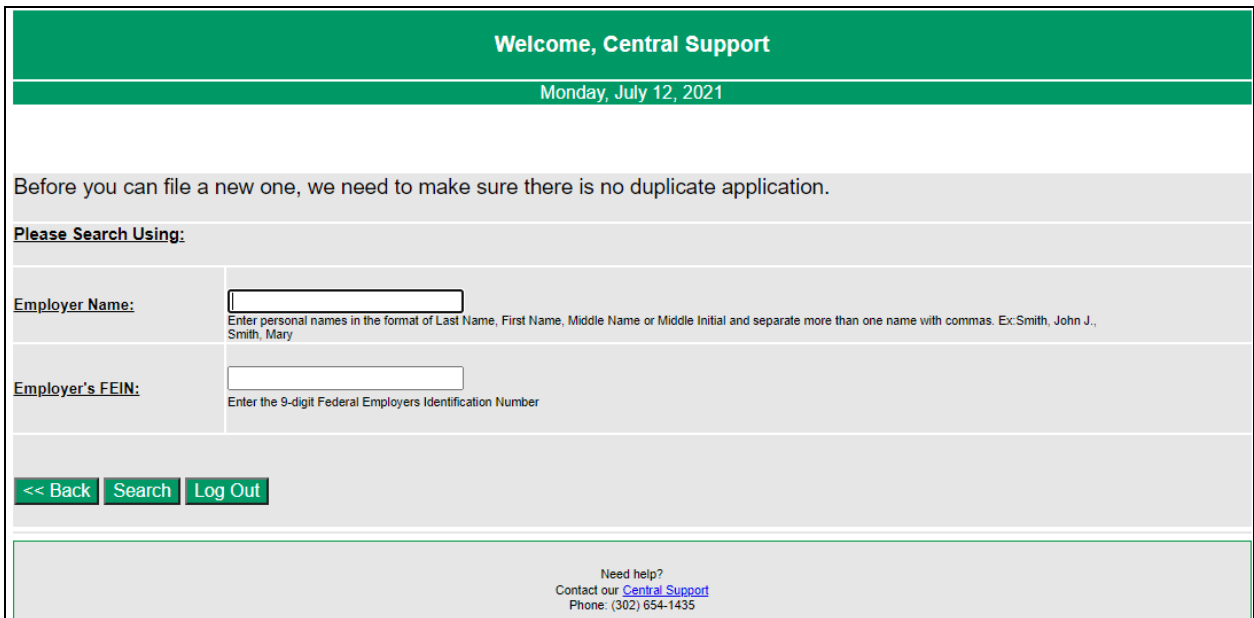

III. THE APPLICATION

A. Creating a New Application

Begin by clicking the **Create new application** button on the Welcome screen.

On the next screen, enter the **Employer Name** and **Employer's FEIN**. Both fields are required. Click the **Search** button to determine if an application already exists based on the information entered.

The search result is displayed below the Back and Search buttons. If a match is found, the user is presented with the current application status along with the options to **View**, **Edit**, or **Delete** (if applicable).

A pop-up window, similar to the one below, is displayed if a match is found but the application is created by another user.

If there is no existing application found, select **Create a New Application** to advance to the Application for Workers Compensation Assigned Risk Plan.

B. Completing an Application for Workers Compensation Assigned Risk Plan

Please refer to the Delaware Workers Compensation Insurance Plan Handbook when filling out the form. The handbook can be found on the Residual Market section of the DCRB website, www.dcrb.com.

The Application for Workers Compensation Assigned Risk Plan has nine sections. Answer all questions and requested information thoroughly. All fields marked with an asterisk (*) are required.

The following buttons are available:

Button	Description
Back to Search	Click this button to return to the Welcome screen.
Print to PDF	Click this button to generate a PDF (read-only) version of the application that can be printed or saved.
Log Out	Click this button to log out of the DIP Web Application.
Save Form	Click this button to save the application.
Submit Form	This button is available only in the last section of the application. Click this button to submit the application.

Below are helpful hints in completing the application. Click the **Save Form** button at the end of each section to save the application and advance to the next section.

 Select **Click Here** to view the instructions. ACH banking information is also provided in the confirmation email after submitting the application.

Section VIII: Applicant's Statement

- Read the Applicant's Statement. Employers and agents must complete this section. For agents, the email address field is optional.

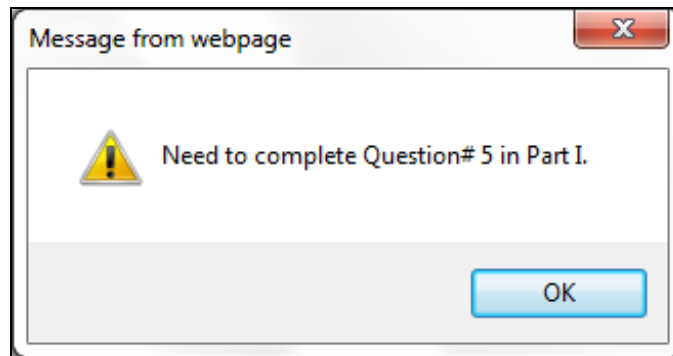

Section IX: Agency and Producer

- Read the Agency / Producer Certification. Complete this section only if your user type is Agency. All fields are required.

C. Submitting an Application

Before submitting an application, verify that all required fields are completed. All errors will need to be corrected before the application can be submitted. Proceed to the last section of the application, and then click the **Submit Form** button.

NOTE: A pop-up window, similar to the one below, is displayed when an error is found or if a field is incomplete. Correct the error, and then click the **Submit Form** button again.

If the application is successfully submitted, the following message is displayed at the top of the application:

A confirmation email will be sent to the applicant's email address stating that the application has been received. For agents, both email addresses entered in Section VIII and Section IX will receive the confirmation email. The email also contains information for the deposit premium payment method chosen.

Once an application has been submitted, its status will change to Submitted. It can no longer be modified or deleted.

D. Application Status After Submission

The submitted application will be reviewed by the DCRB and the status will be updated accordingly.

Returned Status

Incomplete or incorrect applications will not be accepted and may delay the binding of coverage. An email will be sent to the user's email address explaining the error. The user must login to the DIP Web Application and select **Edit** to make the necessary changes. The user must re-submit the application by following the procedure for submitting an application.

The screenshot shows the DCRB Delaware Compensation Rating Bureau, Inc. interface. It features a green header with the logo and a welcome message for 'Central Support' dated Monday, July 12, 2021. Below the header are buttons for 'Create new application' and 'Log Out'. A table lists applications with columns for Employer Name, Employer FEIN, Status, and actions (Edit, Delete). The SEPTA application is highlighted with an orange circle around the 'Returned' status and its 'Edit' and 'Delete' links. At the bottom, there is a 'Need help?' section with contact information for Central Support.

Employer Name	Employer FEIN	Status	
ABC CORPORATION	081720120	Saved	Edit Delete
MCDONALDS	111000111	Submitted	View
PATCO	111111111	Processing	View
SEPTA	123123123	Returned	Edit Delete

Processing Status

The application has been reviewed and the payment has been received. An email will be sent to the user's email address stating that the application is now being processed.

This screenshot is identical to the one above, showing the DCRB interface with the same header and navigation. In this instance, the SEPTA application's status is 'Processing', and the 'View' link next to it is circled in orange. The 'Need help?' section at the bottom remains the same.
